

Occold Lockdown Street Picnic on May 9th @ 4pm

We can't celebrate **VE75** with the planned street party but we can still have some fun!

Decorate your house / front garden in red white and blue, dress up, make a few spam sandwiches (or not!) and have a picnic at **4pm**.

SOCIAL DISTANCING is essential but waving and calling across to your neighbours is positively encouraged!

Occold has already shown its wartime spirit - let's celebrate that and raise a communal cup and a cheer to all our NHS heroes, keyworkers and volunteers at **4.30 pm**.
