REPORT FOR OCCOLD PARISH COUNCIL MEETING – 07/01/2013.

Reported Crimes.

There have been no crimes reported in the Parish of Occold since our last report.

Security for Winter.

We are seeing an increase in thefts of catalytic converters mainly from 4 x 4 and large vans please try to ensure vehicles are left secure and consider fitting a cat lock or marking the catalytic converter.

We have also had a number of number plate thefts the plates being used to disguise vehicles for use in crime and in avoiding charges if you are replacing number plates please use security plates which shatter when removed making them useless to the thief the security plates are marked and are usually not targeted

There is an increase in thefts of laptop computers from schools we are advising all laptop devices are locked away securely when not in use

Oil Thefts.

Once again the theft of heating and Fuel Oil is causing concern.

The Proposed Priorities for Mid Suffolk Central are:-

- To support local schools with crime prevention advice and additional patrols to help address burglary and theft offences.
- To work with partner agencies to deter rural crime including hare coursing poaching and theft
